to me, Prashant, pranova.enterprises

Dear Sir/Madam,

Greetings from GMGC!

I hope this email finds you well.

I am pleased to share that the **International Phase** for your PCT application, **PCT/IN2023/050859**, filed on **13 September 2023**, has been successfully completed.

Below are the key details of the application:

### Application Overview

- **International Application Number:** PCT/IN2023/050859
- **International Filing Date:** 13 September 2023
- **Priority Data:** 202221053257 filed on 17 September 2022 (IN)
- **International Publication Date:** 21 March 2024
- **International Publication Number:** WO2024/057337A1

### ISR and Assessment

The **International Search Report (ISR)** was issued by the Indian Patent Office, acting as the International Searching Authority (ISA), on **15 December 2023**.

I am pleased to inform you that the ISR is **positive**. Below is a summary of the ISR's findings:

- **Novelty:** Claim 1 and its dependent claims (2-8) meet the criteria of **PCT Article 33(2)**.
- **Inventive Step:** The subject matter of claims 1-8 demonstrates an **inventive step** as per **Article 33(3) of the PCT**.
- **Industrial Applicability:** Claims 1-8 are considered **industrially applicable**, satisfying **Article 33(4) of the PCT**.

### Claims Overview

The PCT application contains **9 claims**, with **one independent claim** and the remaining claims dependent on it.

### Next Steps

With the positive ISR, the application is in a strong position for **National Phase entry**. The PCT system has allowed us time to plan strategically and pursue protection in multiple countries through this streamlined approach.
